

## A Star is born...

Gauri is the young sensational voice of today.

Very talented with a God gifted voice, she will soon be releasing a remix pop album with music composed by the famous Mr. Jawahar Wattal, the king of pop – man with the golden touch. With Gauri's mesmerizing fresh voice and beautiful music composed by Mr. Wattal, this album promises to be a landmark in the hot remix trend of today.

While Gauri has a unique voice and style of her own, she has been inspired by many great singers of yester years especially Asha Bhonsle, Lata Mangeshkar, Kishore Kumar and Mehdi Hassan. She loves singing classical, semi classical, pop, ghazals, folk songs, hindi movie songs and bhajans.

Gauri has been singing forever , music has always been a part of Gauri's life. Her Dadi sang excellent thumris and her father sings Ghazals very well. Raised in New Delhi, India, she received early classical training in Gandharva Mahavidyalaya under Bhaji (Shri Vinay Chandra Mudgal). Thereafter, she received training from Smt Savita Devi (daughter of Smt Siddheshwari Devi). Most recently she has started training under Smt Shubhangi Sakhalkar didi.

Settled in San Jose, California (USA), Gauri has an MBA from New York, and has recently quit her job as a Finance Mgr at Cisco systems to pursue her interest in singing. She did her schooling at Modern School Vasant Vihar where she won numerous inter-school competitions and was awarded the "Nightingale" of Modern School. Gauri has sung many songs for All India Radio and Doordarshan. She graduated from the prestigious Lady Shri Ram college and while in college she was offered an opportunity to pursue a career in playback singing. As tempting as it was at the time...Gauri's education took precedence. After marriage, Gauri continued her singing with her family's support. Gauri is currently the lead singer for a professional Bay area band "Dhun" formed by her wonderful husband, Sandeep. The band's focus has mainly been charity shows for well reputed foundations like IDRF [India Development (Gujrat earthquake) Relief Fund], SEF [Sankara Eye Foundation] and many others.

Gauri would not have been able to pursue her dreams if it was not for the incredible love, support and encouragement from her amazing husband Sandeep. Gauri's wonderful parents, Asha & Vijay, have been her constant source of inspiration and strength. Gauri's lovely daughter, Sarika, has been extremely cooperative and supportive through her mother's music endeavor.

Please stay tuned to the upcoming release of Gauri's exciting new album.
